

Staying Safe in the Sun

Answers

SUN CREAM

YES NO

We all need to use sun cream to stop ourselves from getting burnt!

PARENTS / CARERS -
Please be aware that all sun creams have an expiry date!!

WOOLLY HAT

YES NO

A woolly hat would keep the sun off our heads but it is NOT ideal to wear it in the sunshine as we would feel too hot!

PARASOL

YES NO

A parasol keeps us in the shade and stops us from getting burnt!

MAYONNAISE

YES NO

Mayonnaise is used on our sandwiches and on our food.

SUNGLASSES

YES NO

Sunglasses are very important to wear in the sunshine as it protects our eyes from UV rays from the sun.

BEACH BALL

YES NO

A beach ball is used to play games on the beach.

SUN HAT

YES NO

It's a good idea to wear a hat in the sun as it stops us from getting sun stroke, also it protects our face and head from getting burnt.
