

Friends online

Positives

- You can get to meet lots of different people from all around the world
- You can make friends easily
- You can meet people who have the same interests as you
- Its easy to chat to someone and open up to them, even if you are shy
- It makes you happy to have people to play games with and chat to

Negatives

- You don't really know who you are talking to
- Don't give out too much information about yourself, as it can be risky
- How do you know they are telling the truth?
- You could be taken advantage of because not everyone means well
- It is difficult to really trust someone you have met online, when you have never seen them
